ABANDONED APPLICATION**Mail Stop Petition

Sir:

In response to the Notice of Abandonment for failure to timely pay the issue fee that was mailed February 21, 2006, pursuant to 37 C.F.R. 1.137(b), the Applicant hereby petitions the Commissioner to revive the above-identified application. The application was unintentionally abandoned for failure to timely pay the issue fee due on September 15, 2005.

1. Pursuant to 37 C.F.R. § 1.137(b)(2), please charge the required petition fee set forth in 37 C.F.R. § 1.17(m) in the amount of \$1500.00 to Deposit Account 50-1078. At any time during the pendency of this application, please charge any fees required or credit any overpayment to Deposit Account 50-1078 pursuant to 37

Agilent Docket No. 10030539-1

1

C.F.R. § 1.25.

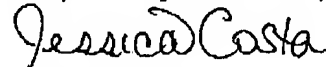

2. A. The reply including the Issue Fee Transmittal that accompanied the Notice of Allowance was filed previously on 12/08/2005.

B. The issue fee and publication fee in the amount of \$1400.00 has been paid previously on 12/08/2005.
3. Because the subject application was filed after June 8, 1995, the filing of a Terminal Disclaimer under 37 C.F.R. § 1.137(d) is not required.
4. In considering this petition, please be informed that prior to the Issue Fee due date of September 15, 2005, a telephonic interview on September 14, 2005 between the Examiner and Jessica Costa, the attorney representing the Applicant in this application, resulted in an Examiner's Amendment and Supplemental Notice of Allowance, attached herein. It was believed that since the Supplemental Notice of Allowance was not yet received, and in fact was not mailed out until October 19, 2006, more than one month after the interview, that the issue fee due date would be reset in order to give the Applicant a chance to review the Supplemental Notice of Allowance prior to paying the issue fee in order to ensure accurate entry of the Examiner's amendment as agreed to over the telephone. Thus, it was believed that the issue fee due date would be reset to the normal 3 months period after the mailing of the Supplemental Notice of Allowance. Had the period for response to the Notice of Allowance been reset by the Supplemental Notice of Allowance, the Applicant's payment would have been well within the period for response. Thus, due to the circumstances surrounding the Supplemental Notice of Allowance and subsequent payment of the issue fee, ***the Applicant hereby states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. § 1.137(b) was unintentional.***

Please grant this Petition for Revival, and pass the Application to Issue.

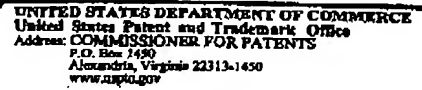

March 7, 2006

Respectfully submitted,

Jessica Costa
